

PRODUCT DATA SHEET · EN

FOS Fog 1500 DMX

DMX-controlled fog machine

A fog machine with 1500 W power consumption and a 6 l tank, controlled via DMX or a remote control. Intended for indoor use only.

1500 W	6 l	8.3 kg	1
POWER CONSUMPTION	TANK	WEIGHT	DMX CHANNELS

Key features

- Control via DMX or the supplied remote control.
- 1-channel DMX mode: values 0-5 switch the fog off, 6-255 adjust the fog output smoothly.
- Button-operated on-screen menu: DMX address (Addr) and channel mode for use with the remote control (reno).
- HEAT option on the screen: the unit is heating up.
- A DMX512 signal cable longer than 60 m also requires a DMX signal amplifier.
