FS-750H-2X1

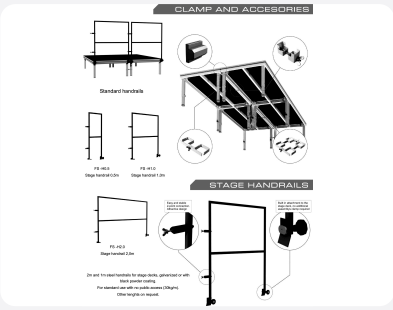
2 × 1 m stage deck

A 2 × 1 m stage deck from the FOS Stage Line with a load capacity of 750 kg/m². The universal corner fits 50 × 50, 60 × 60 and 48.3 round legs.

750 kg/m²	200 × 100 cm	35 kg	9 cm
LOAD CAPACITY	DIMENSIONS	DECK WEIGHT	STACKED HEIGHT

Key features

- Universal pressure block for 50 × 50, 60 × 60 and 48.3 round legs, with no parts to swap
- Extended corner: the pressure block always stays inside the corner profile, giving maximum stability
- Outward profile angle compatible with the Layher beam and Nivtec, with no special adapters
- Only 4 loose connecting accessories are needed to build the entire stage system
- In the system: fixed and telescopic legs, modular and adjustable stairs, handrails and transport trolleys



Handrails and clamps

1 Easy and stable two-point handrail connection

2 Built-in handrail attachment to the deck, no additional clamp

Manufacturer's drawing, labels in English
